

Interested in a career in sustainability?

Meet **leaders** from Accenture, Diageo, M&S, Mars, Newton, PwC, SABMiller, Shell, UBS, Xynteo and more

The Business Fellows Programme of the Smith School of Enterprise and the Environment invites you to an audience with Peter Lacy of Accenture, author of the bestselling *Waste to Wealth*, and Andy Wales, Corporate Affairs Director of SABMiller.

This will be followed by a **Careers Workshop**, hosted by a panel of Business Fellows. Talk to leading practitioners about your career prospects in the field of sustainability
